

# Gravity Kills, Wanted

Feel me - I crawl inside your veins  
Give in - consuming what remains  
I am the one that you adore  
You know that you've been here before  
You have a gun up to your head  
You think you're hearing what's been said  
You know that I'll be back again  
Feel me beneath your skin  
I'm all you never wanted  
I'm all you never needed  
I'm all you never wanted  
I'm all you never ever needed  
I tell you what to feel inside  
You know it's all a fucking lie  
I am the one that you adore  
Feel me beneath your skin  
I'm all you never wanted  
I'm all you never needed  
I'm all you never wanted  
I'm all you never ever needed  
I crawl inside your veins  
Consuming what remains  
A gun up to your head  
You're hearing what's been said  
You want to feel inside  
It's all a fucking lie  
I crawl inside your veins  
I'm all you never wanted  
I'm all you never needed  
I'm all you never wanted  
I'm all you never ever needed  
And I've been here before  
And I've been here before  
And I've been here before  
And I've been here before
