

# Green Day, Best Thing In Town

Come with me and let's go for a ride  
Follow me to the other side  
As I sit around and watch you pout

Cause I know that you're the  
Best thing in town -- Best thing around  
Best thing in town -- Best thing around

Running wild and always running free  
Doing things that I have never seen  
Eerie colors and all I see are sounds

Now I know that you're the  
Best thing in town -- Best thing around  
Best thing in town -- Best thing around

I'm seeing faces...  
Of mysterys of the earth  
I am not one ...  
To the aggersions of my birth  
Or go to stance...  
Of houllinations I can't find  
A missing peice...  
Of a thought thats in my mind

Come with me and let's go for a ride  
Follow me to the other side  
As I sit around and watch you pout

Cause I know that you're the  
Best thing in town -- Best thing around  
Best thing in town -- Best thing around

Running wild and always running free  
Doing things that I have never seen  
Eerie colors and all I see are sounds

Now I know that you're the  
Best thing in town -- Best thing around  
Best thing in town -- Best thing around

Sick and tired of all this wild shoot!
