Green Day, Closing Time

Closing time, open all the doors And let you out into the world Closing time, turn all of the lights on Over every boy and every girl

Closing time, one last call for alcohol So finish your whiskey or beer Closing time, you don't have to go home But you can't stay here

I know who I want to take me home I know who I want to take me home I know who I want to take me home Take me home

Closing time, time for you to go out To the places you will be from Closing time, this room won't be open Till your brothers or your sisters come

So gather up your jackets, move it to the exits I hope you have found a friend Closing time, every new beginning Comes from some other beginning's end, yeah

I know who I want to take me home I know who I want to take me home I know who I want to take me home Take me home

Closing time, time for you to go out To the places you will be from

I know who I want to take me home I know who I want to take me home I know who I want to take me home Take me home

Closing time, every new beginning Comes from some other beginning's end
