## Green Day, Extraordinary Girl

She's an Extraordinary girl In an ordinary world And she cant seem to get away

He lacks the courage in his mind Like a child left behind Like a pet left in the rain

She's all alone again Wiping the tears from her eyes Some days he feels like dying She gets so sick of crying

She sees the mirror of herself An image she wants to sell To anyone willing to buy

He steals the image in her kiss From her hearts apocalypse From the one called whatsername

She's all alone again Wiping the tears from her eyes Some days he feels like dying She gets so sick of crying

She's all alone again Wiping the tears from her eyes Some days he feels like dying Some days it's not worth trying Now that they both are finding She gets so sick of crying

She's an Extraordinary girl an Extraordinary girl an Extraordinary girl an Extraordinary girl
