

Green Day, King For A Day/Shout Live

Started at the age of four
My mother went to the grocery store
Went sneaking through her bedroom door to find something in a size four

Sugar and spice and everything nice wasn't made for only girls
GI Joe in panty hose is making room for the one and only

King for a day, princess by dawn
King for a day in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys get a load of me

(insert concert city here)

My daddy threw me in therapy
He thinks I'm not a real man
Who put the drag in the drag queen
Don't knock it until you tried it on

Sugar and spice and everything nice wasn't made for only girls
GI Joe in panty hose is making room for the Everybody!

King for a day, princess by dawn
King for a day in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys get a load of me

England! Get those hands up in the air

Sugar and spice and everything nice wasn't made for only girls
GI Joe in panty hose is making room for the one and only

King for a day, princess by dawn
King for a day, in a leather thong
King for a day, princess by dawn
King for a day, in a leather thong
King for a day, princess by dawn
King for a day, in a leather thong
King for a day, princess by dawn
King for a day, in a leather thong
King for a day, princess by dawn
Just wait 'til all the guys
Just wait 'til all the guys
Just wait 'til all the guys get a load of ME
