

Green Day, Let Yourself Go

Shut your mouth
'Cause you're talking too much?
And I don't give a f*ck anyway
?You always seem to be stepping in shit?
And all you really do is complain??
Hitch a ride, tell 'em all you like?
Small minds tend to think a like?

Shut your mouth
'Cause you're talking too much?
And I don't give a f*ck anyway??

Let yourself go, let yourself go, let yourself go /4x
Gotta let me go, gotta let it go /4x

Cut the crap 'cause you're screaming in my ear?
And you're talking up all of my space?
You're thinning my patience again
And I'd rather get punched in the face??
You're getting on my every last nerve??
Everything you've said I've already heard?
I'm sick to death of your every last breath?
And I don't give a f*ck anyway???

Let yourself go, let yourself go, let yourself go /4x
Gotta let me go, gotta let it go /4x

Everyone is f*ckin' with my head now?
Don't stop f*ckin' with my head now?
You're f**kin' with my f*ckin' head now?
You're the very thing I wrrrach!

Let yourself go, let yourself go, let yourself go /4x
Gotta let me go, gotta let it go /4x
