## Green Day, Longview

Sit around and watch the tube,but nothing's on Change the channels for an hour or two Twiddle my thumbs just for a bit I'm sick of all the same old shit In a house with unlocked doors And I'm fucking lazy

Bite my lip and close my eyes Take me away to paradise I'm so damn bored I'm going blind And I smell like shit

Peel me off this velcro seat and get me moving I sure as hell can't do it by myself I'm feeling like a dog in heat Barred indoors from the summer street I locked the door to my own cell And I lost the key

Bite my lip and close my eyes Take me away to paradise I'm so damn bored I'm going blind And I smell like shit

I got no motivation Where is my motivation? No time for the motivation Smoking my inspiration

Sit around and watch the phone, but no one's calling Call me pathetic, call me what you will My mother says to get a job But she don't like the one she's got When masturbation's lost its fun You're fucking breaking

Bite my lip and close my eyes
Take me away to paradise
I'm so damn bored
I'm going blind
And loneliness has to suffice
Bite my lip and close my eyes
I was slipping away to paradise
Some say,"Quit or I'll go blind."
But it's just a myth
