## Green Day, Minority

I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minority

I pledge allegiance to the underworld One nation under dog There of which I stand alone A face in the crowd Unsung, against the mold Without a doubt Singled out The only way I know

I want to be the minority I don't need your authority Down with the moral majority 'Cause I want to be the minority

Stepped out of the line Like a sheep runs from the herd Marching out of time To my own beat now The only way I know

One light, one mind
Flashing in the dark
Blinded by the silence of a thousand broken hearts
"For crying out loud" she screamed unto me
A free for all
F\*\*\* 'em all
You are your own sight

I want to be the minority
I don't need your authority
Down with the moral majority
'Cause I want to be the minority
