

# Green Day, No One Knows

Why should my fun have to end?  
For me it's only the beginning  
I see my friends begin to age  
A short countdown to what end

Call me irresponsible  
Call me habitual  
But when you think of me  
Do you fill your head with schemes  
Better think again  
Cause no one knows

I don't want to cause no harm  
But sometimes my actions hurt  
Is there something I should find  
To make plans for forever

Call me irresponsible  
Call me habitual  
But when you think of me  
Do you fill your head with schemes  
Better think again  
Cause no one knows

Call me irresponsible  
Call me habitual  
But when you think of me  
Do you fill your head with schemes  
Better think again  
Cause no one knows

Does it seem like all your memories fade  
You soak up knowledge to fill the space  
And still my answer remains...  
I don't know
