

Green Day, Outsider

Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
everything you know
everything you know
it disturbs me so

Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
Everything you know
Everything you know
It disturbs me so

Everybody's gotta push me
Push me around
Everybody tried to put me
Tried to put me down

I messed up everyone
I've already had all my fun
More troubles are gonna come
I've already had all my fun
Oh yeah yeah yeah

Everybody try to push me
Push me around
Everybody try to put me
Try to put me down

Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
Oh I'm an outsider outside of everything
Everything you know
Everything you know
It disturbs me so
