# Green Day, Troublemaker

## Hey!

You're giving me a heart attack You're giving me a cardiac arrest When I'm standing at the traffic light

#### Hey!

I wanna get inside of you I wanna crack your cranium delirium On the lower east side of your mind

Wanna be a Troublemaker Wanna be a Troublemaker Wanna be a Troublemaker Wanna be a Troublemaker

#### Hev!

I like your BMW I like your BM-excellent tits With a tattoo of a pig sniffing glue

#### Hey!

You're living at the W You're looking like a Jezebel, hot as hell Sunburned in a pink bathing suit

Wanna be a Troublemaker Wanna be a Troublemaker Wanna be a Troublemaker Wanna be a Troublemaker

### Hey!

Yeah!

Easy come and go, gonna go it alone Knock yourself out with a shot of Patron I wouldn't say I'm straight 'cause I'm bent out of shape From now till death do we party just before it's too late

#### Hey!

You're giving me a heart attack You're giving me a cardiac arrest When I'm standing at the traffic light

Hey!
