

Green Day, !Viva La Gloria!

Hey, Gloria
Are you standing close to the edge?
Look out of the setting sun
Brink of your vision
Eternal youth is
A landscape of a lie
The cracks of my skin can prove
As the years will testify
Say your prayers and light a fire
We're going to start a war
Your slogan's a gun for hire
It's what we waited for
Hey, Gloria
This is why we're on the edge
The fight of our lives been drawn
This undying love
Gloria, Viva La Gloria
You blast your name
In graffiti on the walls
Falling in broken glass that's
Slashing through your spirit
I can hear it like a jilted crowd
Gloria, Where are you, Gloria?
You found a home
In all your scars and ammunition
You made your bed in salad days
Amongst the ruins
Ashes to ashes of our youth
She smashed her knuckles into winter
As autumn's wind fades into black
She is the saint of all the sinners
The one that's fallen through the cracks
So don't put away your burning light
Gloria, Where are you Gloria?
Don't lose your faith
To your lost naivete
Weather the storm and don't look
Back on last November
When your banners were burning down
Gloria, Viva La Gloria
Send me your amnesty down
To the broken hearted
Bring us the season
That we always will remember
Don't let the bonfires go out
So Gloria,
Send out your message of the light
That shadows in the night
Gloria, where's your undying love?
Tell me the story of your life
Your life
