## Green Day, We Are The Champions

[Originally by Queen]

I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes
I've made a few
I've had my share of sand kicked in my face
But I've come through

We are the champions - my friends And we'll keep on fighting - till the end -We are the champions -We are the champions No time for losers 'Cause we are the champions - of the world -

I've taken my bows And my curtain calls -You brought me fame and fortuen and everything that goes with it - and some fucking great cheers I thank you all -

But it's been no bed of roses No pleasure cruise I consider it a challenge before the whole human race And I ain't gonna lose

We are the champions - my friends
And we'll keep on fighting - till the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions - of the world
