

# Green Day, Whatsername

Thought I ran into you down on the street  
Then it turned out to only be a dream  
I made a point to burn all of the photographs  
She went away and then I took a different path  
I remember the face but I can't recall the name  
Now I wonder how whatsername has been

Seems that she disappeared without a trace  
Did she ever marry old what's his face?  
I made a point to burn all of the photographs  
She went away and then I took a different path  
I remember the face but I can't recall the name  
Now I wonder how whatsername has been

Remember, whatever  
It seems like forever ago  
Remember, whatever  
It seems like forever ago  
The regrets are useless  
In my mind  
She's in my head  
I must confess  
The regrets are useless  
In my mind  
She's in my head  
From so long ago

(Go, Go, Go, Go..)

And in the darkest night  
If my memory serves me right  
I'll never turn back time  
Forgetting you, but not the time.
