

# Gregorian, We Love You

We don't care if you only love "we"  
We don't care if you only love "we"  
We love you.  
We love you, and we hope that you will love "we" too  
We love "they"  
We love "they", and we want you to love "they" too.  
Aah.

We don't care if you hound "we" and  
love is all around "we"  
Love can't get our minds off  
We love you, we love you

You will never win "we"  
Your uniforms don't fit "we"  
We forget the place we're in  
We love you  
We love you. Of course, we do.

I love you.  
I love you.  
And I hope that you won't prove wrong too  
We love you. We do.  
We love you. We do.  
Ah...
