

# Guided By Voices, 2nd Moves To Twin

She can take me all the way  
I got more to say  
But I can't have you  
Step into my world  
But splendid Pearl I love you

I got one thing  
She says two things  
Maybe more things  
Should be blue things  
I love blue but yellow too  
I like to win when  
2nd moves to twin  
And over and over again

Bands that swing with perfect girls  
Yeah that's for me  
Yeah nothing clean  
Yeah that's for me
