

# Guided By Voices, A Life In Finer Clothing

AhhhhAhhhhAhAhAhhhhAhAhAhhhhAh

Wanting to choose

Fight the scene through unreknowned leaders too

And nothing is real

She found me someone who wants to stone cheaters too

And I think it's cool

Finding out yr not one of the bleeding few

And just like in school

Yr following every unsane leader

Cool as long as you weed them out

Fool says nothing but breeze

For all the things for you

And all these things are new

So unbelievable now

In finding freeways through unreknowned leaders too
