

Guided By Voices, Ambergris

What's that you're wearing?
It smells so good
You don't wanna know
What's that you're eating?
Could be misleading
You don't wanna know

But I wanna know x3

A cow could fly if it had wings
We use the bones and everything
What's that you're wearing?
It smells so good
You don't wanna know

But I wanna Know x2
But you don't wanna know
But I wannna know.
