

# Guided By Voices, Chowder, Anyone?

my hands are as sticky  
(& possibly even as CLAMMY)  
as my pits and my face is kind of TIGHT  
like a f\*\*king clammy SPONGE  
and I feel like a clammy TOWEL

and I'm gonna go to one of those  
good places 'n' get some....GOODNESS  
and if it's clammy I'm gonna  
kick something (really)  
I'm gonna break a lot of shit!
