

# Guided By Voices, Feathering Clueless (The Exotic

The heavens convened  
awfully well to do  
feathering clueless if it were up to you  
would you even care?  
Or would you be aware  
of the weatherman  
stone with fruit  
the twinkling housewife  
she is, I swear  
in despair

feathering clueless  
look at the things  
look up the things  
look up the things  
and I swear in no time  
I will be  
awfully well to do  
if it were up to you  
would you even care?
