

Guided By Voices, Glow Boy Butlers

Glow boy butlers fly
Climbing in the sky
Lights flashing
Eyes crashing
Glowing with delight
Take it to sugar pie
Oh they're studying
??Of the rudder??

Chorus: They want you
They want you everytime they see you
They want you
They want you everything they need you

Glow boy butlers sing
Odes to everything
Lovely lady you tiger baby
Glow boy butlers try
Crash low slowly die
Hold them duty
Plan their beauty
All right
Chorus x3
