

Guided By Voices, Let's Go Vike

Let's go vike

Let's go vike

I gotta (played/blade?) alibi (x4)

A man in a gripped(?) white suit

??? when you fly by

I'm not gonna talk to your feet

My single mind's outta ???

Big and strong like me

A couple more Jack's

And there ain't no skull

Cupid could be like me!

Find me a woman!

Let's go vike etc
