

# Guided By Voices, Lifetime For The Mavericks

I am a dreamer  
I'm this far away  
You are a screamer  
I hear you  
This is tomorrow  
And where will we stay  
In a lifetime for the mavericks?

Was time for the jokers  
But maybe too late  
And now the punch line is stumbling  
Who let them up here?

They're too young, you now  
To witness this business

This is tomorrow  
But maybe too late

I am a dreamer  
This far away
