

# Guided By Voices, Long Way To Run

???

Looking back on situations I've been through

??? certainly no fun

Round the outside it's a long way to run

Each man who knows you

Has a lot to show you

Works hard just to keep you

Out of the lake

Where no one can take you away

New expression to keep me on my toes

Real good service ???

Something ??? keeps me hanging around

Something else just keeps on bringing me down

Each man who knows you

Has a lot to show you

Works hard just to keep you

Side of the lake

Where no one can take you away
