

# Guided By Voices, Manequin's Complaint (Wax

Kleptos parading on market floors today,  
Insider raiding like boys who drink  
and bring down everything  
On top of us

This is what we're tired of  
This is what we're tired of

And then much later

Paint it up for display  
Maximum Torso  
Cat from Pluto's purple moon  
Said "Light me a can of gas"

This is what we're tired of  
This is what we're tired of

This is what we're tired of (repeated)
