

Guided By Voices, Mice Feel Nice (In My Room)

I won't put that in my mouth no
It is a fright with that neon light
The Hollywood magic men
Back up in their caves
Ooh at the raves
And the ??cake ?? can't say
The weepers from the way
Baby it's all right
The night is long and cold as ice
But it's all right, baby it's all right
There's a pink little area
The regions of my disease
And it is good
It is good
Mice feel nice
Ooh mice feel nice
You know mice feel nice ooh
