

# Guided By Voices, Mobile

Fuck fuck fucking fuck  
I'm going mobile  
I'm on the road now  
Now watch my feet move  
Go go  
I'm going mobile  
I'm gonna move now  
I'm on the go now  
From room to room now  
Go go  
From street to street now  
From town to town now  
I kept at moving  
I kept at moving  
I'm going mobile  
Go move move go  
Move  
I'm going mobile  
I'm going mobile
