

# Guided By Voices, Natives Approach Our Plane

Natives approach our plane...

Strangers familiar  
In the funhouse mirror  
They are us  
Ideal directions in the zero zone  
Make me laugh

Natives approach our plane...

A full circle downspin  
Back to the crater  
We have come  
In heavy pretense  
So we did avoid  
Drafts and lotteries

Natives approach our plane...
