no

she was in a squirmish frontal room

she says I'm not very cool

but I know better then them and she knows better than that

and I know more then her and she knows better than that

No

she was in a squirmish frontal room

she says I'm not very cool

Course I know better then that and she knows better than me

and I know more then her but it's not here

and it's not okay

I said No
