

# Guided By Voices, Take To The Sky

you can do the pollute  
escorted, afforded by the loot  
take to the sky  
said the china man's monkey  
And to drive like Einstein  
through the magic boats of history's underbelly

and your onward was unusual  
and your scientific programs phenomenal

take to the nose in a rumble  
my  
my endearing  
my endearing ranking  
(mumble, mumbling..)
