

# Gunna, Goin In

I will never ever switch  
I stopped and watch 'em take a pic  
I put some icing on my wrist  
My Forgiato blowing kiss, lips  
I hit the club and threw a 10  
She know I know I'm goin' in  
Got Tom Ford on my lens  
A Don Juan like a pimp, bitch

Got 60 shows a nigga goin' in  
They sent me to front with a back end  
World tour, I'm picking up a 10  
We run up that sack when they pack in  
You wanna send it, better mail it straight  
I could show you, let me demonstrate  
Saran wrap it like a dinner plate  
You got the truck and I'mma check the date  
Get there early, not a minute late  
Bust it open, smoke it, meditate  
That lean is something I can never waste  
That Iley Miley got a bitter taste  
We been pouring syrup in a Minute Maid  
We far from white but we got plenty K's  
We blow this shit up, we the renegade  
I bought a house and then went renovate it  
My side bitch wanna have a baby  
I fuck her good and give her penetration  
We fucking smoking, we need ventilation  
I'm rocking ice, a nigga really skating  
I'm rapping focused, nigga dedicated  
I brought the show, look like a masquerade  
Shut this shit down like the Central Station

I will never ever switch  
I stopped and watch 'em take a pic  
I put some icing on my wrist  
My Forgiato blowing kisses, lips  
I hit the club and threw a 10  
She know I know I'm goin' in  
Got Tom Ford on my lens  
A Don Juan like a pimp, bitch

I know, I know, I know, I know I'm goin'  
I know, I know, I know I keep 'em flowing  
I open words and now I speak influence  
I'm a boss, I got a strong influence  
I went got my chance, I'm a opportunist  
I tuck the Glock, nigga not the Ruger  
Got 30 shots and nigga I'm the shooter  
I put my jewelry in a fucking cooler  
I whipped the Benz and then I whipped the Beamer  
I told her pick my clothes up at the cleaners  
She walk and toot it like a ballerina  
She bad as fuck, a nigga barely see her  
She shop at Houston in the Galleria  
I send her once inside the Beverly Hills  
She try take my wallet and spend a mil'  
I keep it silent I never tell  
I came out that dope hole to give em' hell  
Tell me what you want, I got it for sell  
When I was 11 I seen a bale  
Go 'head run that pack all the way  
I copped me some work when I got a scale  
And I found a plug in LA

I told him we sendin' it in the mail

I will never ever switch  
I stopped and watch 'em take a pic  
I put some icing on my wrist  
My Forgiato blowing kisses, lips  
I hit the club and threw a 10  
She know I know I'm goin' in  
Got Tom Ford on my lens  
A Don Juan like a pimp, bitch
