(Jai Beats on the track, boy)  
(Young Producers)

I asked my ex why she lied to me  
She told me, "Unfoonk, why you play me?"  
I told that bitch please stop lyin'  
Hey, check the Rollie, bitch, it's my time  
It's Slime Mob 'til the death of me  
Don't say you love me if you won't kill for me  
I see my haters on the sideline  
Heavy told me I'm in top five

Mob ties, reached a mil'  
I did that shit without a deal  
I swear to God I'm in tears  
I gotta tell you how it feel  
I keep the glizzy on the side of me  
I know these niggas plan on robbin' me  
And please tell these niggas don't try  
Play with me, get put on FOX 5

Told that bitch is she gon' ride or die?  
She looked me in my eyes, said, "Foonk, baby, I'm slidin'"  
Then peaced me up and said, "Baby, I'm ridin' with Slime"
