

# Guns N' Roses, Absurd

Listem motherfuc\*ers to this song  
That should be eard  
Dragger down in the gutters  
More than you deserve  
Screaming fucking banshee  
You know that's what you are  
Pussy full of maggots  
Isn't that absurd?

Dizzy littel dreamer with your head down in the stars  
Fucking little schemer got yourself inside the heart  
Syphilitic priestess baby  
I jbiw who you are  
Parastic demon sucking acid through your heart
