

# Guns N' Roses, If The World

If the world would end today  
And all the dreams we've had would all just drift away, ooh  
You know there's nothing more to say  
If the world would end and our love slip away, ooh

I never knew the way that you look at me  
Would ever mean so much to me  
But in my heart I found the feelin's that I've never shown  
And now they've got the best of me

If the world would end today  
And all the dreams we've had would all just drift away, ooh  
You know there's nothing more to say  
If the world would end and our love slip away, ooh

Oooh  
La la da da, la da da da da da  
La la da da, la da da da da da

I never thought all the love I was lookin' for  
Could ever be so close to me  
But you're the only one I have ever loved that has ever loved me  
And now you've got the best of me

If the world would end today  
And all the dreams we had would all just slip away, ooh  
You know there's nothing more to say

If the world would end today  
And all the dreams we had would all just drift away, ooh  
You know there's nothing more to say  
If the world would end and our love slipped away

If the world would end and our love slipped away
