

# Guns N' Roses, It's alright

Told you once about your friends and neighbors,  
They were always seeking but they'll never find it.  
It's alright, yes it's alright.

Where to go and where to see,  
It's always been this way and it can never be.

It's alright, yes it's alright,  
Give it all and ask for no return.

And very soon you'll see and you'll begin to learn,  
That's it's alright, yes it's alright.

Don't you know that it's so good for you,  
You can be making love and see it all go through.

But it's alright, yes it's alright.

So I told you once about your friends and neighbors,  
They were always seeking but they'll never find it.  
It's alright, yes it's alright.
