## Guns N' Roses, Live & Let Die

When you were young and your heart was an open book You used to say live and let live you know you did you know you did you know you did But if this ever changin world in which we live in Makes you give in and cry Say live and let die Live and let die

What does it matter to ya When ya got a job to do Ya got to do it well You got to give the other fella hell

You used to say live and let live you know you did you know you did you know you did But if this ever changin world in which we live in Makes you give in and cry Say live and let die Live and let die
