Guns N' Roses, Locomotive

Gonna find a way to cure this loneliness Yeah I'll find a way to cure the pain If I said that you're my friend And our love would never end How long before I had your trust again I opened up the doors when it was cold outside Hopin' that you'd find your own way in But how can I protect you Or try not to neglect you When you won't take the love I have to give I bought me an illusion An I put it on the wall I let it fill my head with dreams And I had to have them all But oh the taste is never so sweet As what you'd believe it is-Well I guess it never is It's these prejudiced illusions That pump the blood To the heart of the biz

You know I never thought
That it could take so long
You know I never knew how to be strong
Yeah, I let you shape me
But I feel as though you raped me
'Cause you climbed inside my world
And in my songs
So now I've closed the door
To keep the cold outside
Seems somehow I've found the will to live
But how can I forget you
Or try not to reject you
When we both know it takes time to forgive

Sweetness is a virtue
And you lost your virtue long ago
You know I'd like to hurt you
But my conscience always tells me no
You could sell your body on the street
To anyone whom you might meet
Who'd love to try and get inside
And bust your innocence open wide

'Cause my baby's got a locomotive My baby's gone off the track My baby's got a locomotive Got ta peel the bitch off my back I know it looks like I'm insane Take a closer look I'm not to blame No

Gonna have some fun with my frustration Gonna watch the big screen in my head I'd rather take a detour 'Cause this road ain't gettin' clearer Your train of thought has cut me off again Better tame that boy 'cause he's a wild one Better tame that boy for he's a man Sweetheart don't make me laugh You's gettin' too big for your pants And I's think maybe you should Cut out while you can You can use you illusion-

Let it take you where it may
We live and learn
And then sometimes it's best to walk away
Me I'm just here hangin' on
It's my only place to stay at least
For now anyway
I've worked too hard for my illusions
Just to throw them all away

I'm taking time for quiet consolation
In passing by this love that's passed away
I know it's never easySo why should you believe me
When I've always got so many things to say
Calling off the dogs a simple choice is made
'Cause playful hearts
Can sometimes be enraged
You know I tried to wake youI mean how long could it take you
To open up your eyes and turn the page

Kindness is a treasureAnd it's one towards me you've seldom shown
So I'll say it for good measure
To all the ones like you I've known
Ya know I'd like to shave your head
And all my friends could
paint it red
'Cause love to me's a two way street
An all I really want is peace

But my baby's got a locomotive My baby's gone off the track My baby's got a locomotive Got ta peel the bitch off my back I know it looks like I'm insane Take a closer look I'm not to blame No

Affection is a blessing
Can you find it in your sordid heart
I tried to keep this thing
ta-gether
But the tremor tore my pad apart
Yeah I know it's hard to face
When all we've worked for's gone to waste
But you're such a stupid woman
And I'm such a stupid man
But love like time's got its own plans

'Cause my baby's got a locomotive My baby's gone off the track My baby's got a locomotive Got ta peel the bitch off my back I know it looks like I'm insane Take a closer look I'm not to blame Yeah If love is blind I guess I'll buy myself a cane

LOVE'S SO STRANGE
