Guns N' Roses, Rocket Queen

If I say I don't need anyone
I can say these things to you
'cause
I can turn on anyone
Just like I've turned on you
I've got a tongue like a razor
A sweet switchblade knife
And I can do you favors
But then you'll do whatever I like

[Chorus]

Here I am
And you're a Rocket Queen
I might be a little young
But Honey I ain't naive
Here I am
And you're a Rocket Queen oh yeah
I might be too much
But honey you're a bit obscene

I've seen everything imaginable
Pass before these eyes
I've had everything that's tangible
Honey you'd be suprised
I'm a sexual innuendo
In this burned out paradise
If you turn me on to anything
You better turn me on tonight

[Chorus]

I see you standin' Standin' on your own It's such a lonely place for you For you to be If you need a shoulder Or if you need a friend I'll be here standing Until the bitter end No one needs the sorrow No one needs the pain I hate to see you Walking out there Out in the rain So don't chastise me Or think I, I mean you harm Of those that take you Leave you strung out Much too far Baby-yeah

Don't ever leave me Say you'll always be there All I ever wanted Was for you To know that I care
