

Guns N' Roses, Scraped

Oh...

Don't you try and stop us now
I just refuse
Don't you try to stop us now
'Cause I just won't let you

Sometimes I feel like the world is on top of me
Breaking me down with an endless monotony
Sometimes I feel like there's nothing that's stopping me
All things are possible, I am unstoppable

So they convince you no one can break through
I'm here to tell you you're worth more than they tell you

Don't you try and stop us now
I just refuse
Don't you try to stop us now
'Cause I just won't let you

Sometimes I feel like my life's a catastrophe
Can't understand why it seems like it has to be
Sometimes I feel like it's all opened up for me
Nothing's impossible, I am unconquerable

No one can make you do what they want to
You know you're stronger than the lies that they tell you

Don't you try and stop us now
I just refuse
Don't you try to stop us now
'Cause I just won't let you

So they convince you no one can break through
You know you're stronger than the lies that they tell you

Don't you try and stop us now
I just refuse
Don't you try to stop us now
'Cause I just won't let you

Don't you try and stop us now
I just refuse
Don't you try to stop us now
'Cause I just won't let you
