## Guns N' Roses, Shadow Of Your Love

Took my chances carelessly choked on my own cigarette You can hand me another bottle of whiskey baby but you aint seen the worst yet

Now I'm reckless, gonna have some fun and the woman who is dead who was out alnight, no I'm not the only one

And I ain't standing, never standing in the shadow of your love shadow of your love shadow of your love shadow of your love

Wrote my changes helplessly yeah but I got no regrets Money it was on the table so I booked with all the bets

Living like a lemon aint so hot and you aint my idea of one high-rollin' shot

No I ain't standing, never standing

[Chorus]

Big dark clouds hanging over your head hope you've heard, baby all I've said You've been told, what I've said No use crying, you're as good as dead

Now I'm reckless, gonna have some fun and the woman who is dead, who is out alright now I'm not the only one

And I ain't standing, never standing

[Chorus]
