

Guns N' Roses, Silk Worms

Listen motherfuckers to this song that should be heard
Thrown down in the gutter, it's more than you deserve
Kneeling fucking virgin, you know that's what you are
Pussy for a maggot, isn't that a shock
What can I do? With a bitch like you
You know that it's true
All I have I ask of you
I'll be damned
If it's not true
A bitch like you
Get your head down in the sky
Fucking little schemer got yourself a broken heart
Syphilitic preachers baby I know who you are
Parasitic demons sucking acid through your heart
What can I do? With a bitch like you
You know that it's true
All I have I ask of you
I'll be damned
If it's not true
A bitch like you
