

Guy Sebastian, Standing With You

the more i tell you
you can do this
the more you tell yourself
you're useless

Instead of telling you
'you will be alright'
I am jusy gon' be that somebody by your side
Let me be that distant satelite
A constant in the sky

Cause i am standing with you tonight
I will be that voice in your ear
Quietly destroying your fear
You won't even know that i'm here
But I am standing with you tonight
I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I am standing with you tonight

Your head is full and yet it's hollow
Don;t even think about tomorrow
So if you let me i will follow
If you're gonna go
At least you're gonna know

Instead of telling you
'you will be alright'
I am jusy gon' be that somebody by your side
Let me be that distant satelite
A constant in the sky

Cause i am standing with you tonight
I will be that voice in your ear
Quietly destroying your fear
You won't even know that i'm here
But I am standing with you tonight
I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I am standing with you tonight
