

HAIM, Summer Girl

LA on my mind
I can't breathe
you're there when I close my eyes
so hard to reach
the smile turn into cries
in the same release
and you always know
and you always know

I'm a Summer Girl
I'm a Summer Girl
I'm a Summer Girl
I'm a Summer Girl

lightning in your eyes
you can't speak
falling from the sky
down to me
I see it in your face
I am relief
I am your summer girl

I'm a Summer Girl
I'm a Summer Girl
I'm a Summer Girl
I'm a Summer Girl

(zwr 3.)

and I can see the angels coming down
like a wave that's crashing on the ground
I can see the angels coming now
like a wave that's crashing on the ground
