

# Halsey, Strangers (ft. Lauren Jauregui)

She doesn't kiss me on the mouth anymore  
Cause it's more intimate, the she thinks we should get  
She doesn't look me in the eyes anymore  
Too scared of what she'll see  
Somebody holding me

When I wake up all alone  
And I'm thinking of your skin  
I remember /2x  
What you told me

Said that we're not lovers  
We're just strangers  
With the same damn hunger  
To be touched  
To be loved  
To feel anything at all  
/2x

She doesn't call me on the phone anymore  
She's never listening, she says it's innocent  
She doesn't let me have control anymore  
I must've crossed a line  
I must've lost my mind

When I wake up all alone  
And I'm thinking of your skin  
I remember /2x  
What you told me

Said that we're not lovers  
We're just strangers  
With the same damn hunger  
To be touched  
To be loved  
To feel anything at all  
/2x

I miss the mornings with you laying in my bed  
I miss the memories replaying in my head  
I miss the thought of a forever, you and me  
But all you're missing is my body

So we're not lovers  
We're just strangers  
With the same damn hunger  
To be touched  
To be loved  
To feel anything at all  
/2x

To feel anything /2x  
You lost it /3x
