

# Hania Stach, End Of The Road

We belong together  
and you that i'm right  
why do you play with my heart,  
why do you play with my mind?  
Said we'd be forever  
said it'd never die  
how could you love me and leave me  
and never say good-bye?  
When i can't sleep at night without holding you tight  
boy, each time i try i just break down and cry  
pain in my head oh i'd rather be dead  
spinnin' around and around  
Although we've come to the end of the road  
still i can't let you go  
it's unnatural, you belong to me, i belong to you  
although weve come to the end of the road  
still i can't let you go  
it's unnatural, you belong to me, i belong to you  
Boy, i know you really love me,  
you just don't realize  
you've never been there before  
it's only your first time  
Maybe i'll forgive you  
maybe you'll try  
we should be happy together  
forever, you and i  
Will you love me again like you loved me before  
this time i want you to love me much more  
this time instead just come to my bed  
and baby just don't let me go
