Harry Styles, Anna

just know it's not with me don't know what i'd tell you if I passed you on the street I don't want your sympathy but you don't know what you do to me

oh, Anna Every time I see your face there's only so much I can take oh, Anna

don't know ow you taste when there's smoke in your perfume so chew me up and spit me out Nothing left to lose

I don't want your sympathy but you don't know what you do to me

oh, Anna Every time I see your face there's only so much I can take oh, Anna

I don't want your sympathy but you don't know what you do to me

oh, Anna Every time I see your face there's only so much I can take oh, Anna

and know that it's for you I don't know what I'd tell you if you asked me for the truth

I don't want your sympathy but you don't know what you do to me

oh, Anna
