

Harry Styles, Treat People With Kindness

Maybe we can find a place to feel good
And we can treat people with kindness
Find a pace to feel good

I've got a good feeling
I am just taking it all in
Floating up and dreaming
Dropping into the deep end

And of we're here long enough
They'll sing a song for us
And we'll belong

Maybe we can find a place to feel good
And we can treat people with kindness
Find a pace to feel good

Given second chances
I don't need all the answers
Feeling goon in my skin
I just keep on dreamind

And of we're here long enough
They'll sing a song for us
And we'll belong

Maybe we can find a place to feel good
And we can treat people with kindness
Find a pace to feel good

And it's just another day
And if our friends all pass away
It's ok. /3x

Maybe we can find a place to feel good
And we can treat people with kindness
Find a pace to feel good

All w eever want is automatic all the time
All w eever want is auto all the time

Maybe we can find a place to feel good
And we can treat people with kindness
Find a pace to feel good
