

# HEART & SOUL, Wounded Healer (Ft. Pati Yang)

I don't ...  
I don't see  
I don't ...

I just don't  
Into the distance  
Into the distance  
My sweet ...

Like ...

I sell many things  
...

And Wander water  
Become ... Wounded Healer  
And Wounded Healer  
Become ... wander water

Arrows don't fly  
Pigeons blinding  
And I stop fighting
