Heatmiser, Flame!

i always find out too late i always find out too late you wouldn't believe what i'm on in all this time i found nothing to live without it for

chorus:
help me only
help me only
help me get on my feet
i feel like turning me down
i feel like turning me down
good to see ya anne maria (?)

i never was anything can't be happy or unhappy you wouldn't believe what i'm on in all this time i found nothing to live without it for

oh, what are you now? oh, what are you now?

what's wrong with you little flame? what's wrong with you little flame? i been trying to cool off for so long in all this time i found nothing to stop real pain
