

# Heideroosjes, Turn Around And Run!

Hesitation is no alternative, there's no time to think,  
I just take the first bus to escape...from out of here  
I don't wanna talk to this stupid people in this boring city  
Please don't ask me to stay...for one minute more

I TURN AROUND AND RUN!

I could do my best to write a poem about this horror  
but I'm too f\*\*ked up to rhyme...so I don't rhyme!  
If you ever go to a place like this, just make sure  
you don't miss the last train back home

I GOTTA GOTTA GO  
Where? Oh my God, I don't even know  
BUT I GOTTA GET AWAY FROM HERE
